### Superintendent's Highlights

Basin District is totally focused upon one large goal for this ensuing year which has many sub-goals contained within.

The primary goal is to become accredited through the Northwest Association of Schools and Colleges. Our High School is only five years old.

In 1995 we became a Pre K-12 District from the K-8, Elementary District classification.

We will have an on-site visitation team come to our District to evaluate progress being made with this year's goals.
